Dear Keith

Thank you for your very generous donation of \$10,000 to the Variety Victoria Bush Fire Relief Fund.

The magnitude of the devastation almost defies belief and be assured that 100% of your donation will be provided to Variety Victoria to directly assist the children and their families who have been affected by this tragedy.

Variety WA is working closely with our colleagues in Variety Victoria to determine the best way to deliver practical and timely help, complementing and enhancing the efforts of lead aid agencies and community groups. In particular, Variety Victoria is currently identifying children with special needs who have lost customised mobility, communication and other equipment, to ensure that urgently needed items are replaced as soon as possible.

All assistance provided through the Relief Fund will pass the normal checks and balances of the Variety grants process, ensuring the right help gets through to the right places. In keeping with our usual practice Variety will use your donation to deliver tangible items, equipment and services to enrich the lives of children in need.

Please find enclosed a copy of our 2008 Annual Report for your information, which highlights our fundraising results and details exactly how we assisted WA children last year, including a full list of every item granted.

On behalf of Variety WA and our Victorian counterparts, thank you for your generous support. In the midst of so much sadness, we look forward to bringing you some positive news over the coming months, showing how your donation has made a difference.

Kind regards

MICHAEL PAILTHORPE
