Dear Keith

Four months after the devastation of the Black Saturday bushfires, Variety WA continues to help rebuild lives and deliver hope to the countless children affected.

Thanks to your generous support, Variety has presented the following grants to local children and schools in the Whittlesea and Wallan regions:

- Four Variety Sunshine Coaches to Wallan Secondary College, Marysville Primary School, Chum Creek Primary School and Kinglake Primary School – providing student transport between home and school and other special excursions
- Hundreds of bicycles and helmets given to children in the Kilmore, Kinglake, Marysville and Gippsland areas
- Replacement of items destroyed by fire, including a farm buggy, swing set, school uniforms, modified tricycles, touch screen computers and specialist software and trampolines for children with physical or intellectual disability
- New children's playground for Chum Creek Primary School, destroyed on Black Saturday

In addition, many more grants are also underway as part of the Variety Victoria Bush Fire Relief Fund, including:

- New children's playgrounds for Wandong Primary School, Marysville Primary School, Middle King Lake Primary School
- Music project for Whittlesea Secondary College
- Bicycles and replacement of sporting equipment for children living in the Bendigo area

Variety WA continues to work closely with our colleagues in Variety Victoria to deliver practical help, complementing the efforts of lead aid agencies. 100% of your donation continues to make a real and tangible difference to the lives of the children and families affected.

On behalf of Variety WA and Victoria, thank you once again for your wonderful support.

Kind regards

MICHAEL PAILTHORPE
